Good morning,

I will be scheduling a site visit to Pilgrim during the first week of April. Let me know if you would like to join us and whether you prefer April 1, 2 , or 3.

Thanks

Hi George,

How does April 1, 2 or 3 look for you? I have a few other questions, if you don't mind ...

How many other visitors will be part of the tour? From which agencies?

Are there any particular areas/items you know of that should be part of the tour?

There are no wrong answers, I just want to be well prepared.

Thanks,

Joe

Hi Joe,

Have you polled the folks at the plant about any preferred dates for a site visit ? Had we discussed late March or early April ?

Thanks

George,

Attached for your information is Pilgrim's NPDES Discharge Monitoring Report (DMR) for January 2014.

There were no permit exceedances during the month.

Please contact me if there are any questions.

Thanks,

Joe
